

Yosemite Deaf Services 35th Anniversary Weekend

Description

Yosemite Deaf Services was established in 1979. From October 24 – October 26, 2014, we will celebrate its 35th anniversary with a weekend of American Sign Language (ASL) in Yosemite. There will be programs in ASL, increased availability of ASL interpreting, and a special event on Saturday for the community to share Yosemite stories in ASL, and to honor those who helped establish Deaf Services.
